Tigers vs. Hawks on gridiron Friday

When the Tigers of Bay High meet the Hawks of Hancock North Central in Tiger Stadium Friday night, it may well turn into more of a test for the Tigers than the two teams' season record indicates.

Bay High has three straight wins so far this year, 27-12 over Stone, 22-0 against Pass Christian, and a 12-0 stomp over Pearl River Central, Hancock North Central, on the other hand, went under in its first two outings, being beaten 32-7 by Sunrall and 28-7 by Ocean Springs. But when the Hawks tackled Stone High last Friday they came out on top in a 13-7 victory which was no accident.

The Tigers are deeper and more experienced than the Hawks, but they will probably be suffering from two important backfield losses; Johnny Penton and Dick Mestayer very likely will still be on the injured list this weekend. The Hawks started out the season with illness putting several players on the bench, but as the team has returned to strength, they've shown a lot of potential. It should be well worth while turning up at Tiger Stadium at 8 p.m. on Friday.

MEMORIAL FOR MONSIGNOR

Erection of a statue of the Blessed Mother in front of Our Lady of the Gulf school in memory of Monsignor Martin Moloney is being planned. Pastor of Our Lady of the Gulf from 1958 until 1962, Monsignor Moloney died shortly after leaving Bay St. Louis. Interested members of the parish are asked to send donations to the rectory.

PLAN 1-10 BRIDGES

The Corps of Engineers has called for protests by Oct. 16 on the proposed location of Interstate 10 bridge across the Jordan River, and on Oct. 21 on the double-leaf bascule bridge over East Pearl River.

CARS COLLIDE AT NASA

State Highway Patrolman W. A. McMurray reports considerable damage to a Comet, Mercury and Chrysler involved in a three car crash at MTO early Tuesday. The occupants, all residents of Piquette were uninjured. McMurray also took in custody two juvenile runaways Tuesday night, who will be released and returned to their Los Vegas homes upon receipt of funds from their families.

SAM FAVRE TO SPEAK

Sam Favre, Bay St. Louis, attorney, will be guest speaker at the 20th Anniversary meeting of the Hancock County Teachers' Assn. meeting, 7:30 p.m., Monday, Hancock North Central cafeteria.

FOR ENGINEERS WIVES

Wives of the Corps of Engineers will have a bridge luncheon from 10 a.m. to 12:30 p.m. Wednesday at Annie's Restaurant, Henderson Point. Reservations should be phoned by Monday to one of the hostesses at 467-6628, 467-7216 or 467-4917.

FBI helping in car theft

The FBI is aiding Sheriff Ladner's office investigate the possible theft of a 1956 Chevrolet found abandoned on Texas Road about 12:45 p.m. Sunday. Spotted by MTO patrolmen, who reported it to the sheriff's office, the car had had its motor removed when Deputy Fred Currett arrived at the scene. Papers in the car indicated it belonged to John Mason, New Orleans.

Currett and Ladner also investigated several cases of vandalism involving mail boxes in the Edwardsville area. These had been shot up during the night both Saturday and Sunday.

A county-wide tax levy of 26.3 mills, .2 mills less than last year, was set by Hancock County Board of Supervisors Monday. School taxes will stay the same, 22 mills for operation and 8 mills for the bond fund.

In addition, property in Beats 4 and 5 will pay another two mills for road and bridge bonds. For Beat 4 this is a reduction from 6 mills in prior years, while Beat 5's remains the same. While the supervisors increased the levy for the port and harbor commission from 1 to 2 mills and upped the mosquito control commission's fund .8 mill to 1.3, they trimmed one-half mill from each of the following: advertising fund, paper fund, hospital operating fund and hospital bond fund.

Mills levied were: county general fund, 7; veterans service fund, one-quarter; road and bridge fund, 7; health and safety, 1; advertising, one-half; Pearl River Junior College, 1.5; pauper, 1.5; library, one-quarter; hospital maintenance, 2.5; hospital bond, 1.5; mosquito control, 1.3; port harbor, 2; school minimum education program, 11; school district maintenance, 11; and school bond, 8.

In holding the line against any millage increase the supervisors turned a deaf ear to pleas for more money for the county school system and for financial participation in the MTO-backed area planning program. Failure to get state and federal funds for assistance in county planning, which so far has been paid for from Beat 1 and 5 district funds, was the ostensible reason the supervisors said "no" to Joseph V. Colson, head of the three county, one parish, planning commission.

In addition there is more than suspicion the federal Housing and Home Finance Agency, which has to approve matching federal funds for county and regional planning, prefers efforts to be concentrated on the regional program. The supervisors on the other hand wish the emphasis to be on the more local county planning.

In seeking some leeway for regional planning Colson repeated the explanation that shortage of personnel in the Agricultural and Industrial Board qualified to supervise county planning projects was the reason for the long delay in approving funds for county planning in Hancock County.

E. Robert Daley of the A & I Board had told the supervisors this on July 6, but he also stated it was quite apparent the regional program, which is being urged by NASA officialdom, was being given priority by the Atlanta office of the federal agency involved.

County Superintendent Ro-

bert F. Ladner got nowhere in his efforts to explain reasons the school system needed more money than the 22 mill levy would bring in. He pointed out that due to a drop in average daily attendance last year the system lost one teacher unit entitled to state minimum program funds. Notwithstanding this drop in financial support by the state the system this year has three more teachers than last year.

Ladner also reminded the board that to continue to get adequate teachers the county system needed to be in position to increase its salary scale, which he reported to be from \$500 to \$1000 less than most systems in the surrounding area.

The supervisors, particularly H.G. Dean of Beat 1, expressed the view the county school system could save money through proper administration. One specific illustration they harped on was the school board's acceptance of Blossman Gas Co.'s bid for furnishing LP gas, when Supertane's bid was substantially lower.

TO PAINT TANK

The Mayor and Board of Aldermen of Waveland directed secretary C.O. Dufour to advertise for bids for painting the old water tower. This action, taken at a recessed meeting Tuesday night, sets the stage for completion of the current improvement program for the municipal water system.

Set county budget, OK 16th Sec. sum

Hancock County supervisors Monday adopted budgets for the county general fund and the five district road bridge funds as follows: general fund, \$242,927; road and bridge, beat 1, \$74,064; beat 2, \$53,099; beat 3, \$51,356; beat 4, \$59,250; and beat 5, \$54,200.

Breakdown of the general fund allocations are: office and administration \$60,328; courts, lunacy, etc.,

\$39,850; health and sanitation, \$61,631; charities and public welfare, \$27,890; farm and home service, \$4,505; public buildings, \$10,990; library, port and harbor commission; and other public service, \$23,733.

With Supervisor Doyle Keller voting nay, the board agreed to the remission set by U. S. District Judge Harold Cox in the condemnation suit brought by the United States involving two tracts of 16th section land. Under Judge Cox's decision a new trial would be granted the federal government unless the county agreed to a reduction to \$73,000 plus interest in the jury's award of \$127,000. He set the fee interest in a 321 acre tract at \$48,000 and an easement in a 317 acre tract at \$25,000. Voting for the settlement were Dean and Charles Levinghouse. James Ne-casse, who is ill, was absent.

Sheriff Sylvan Ladner appeared briefly before the board to ask if it knew why the big majority of accident victims at MTO were taken to the hospital in Piquette. He explained that his interest in the matter was because sometimes his office had to investigate the incident. He pointed out he had had a deputy in Piquette almost all that day in connection with an inquest into the death of a man reported dead on arrival at Piquette hospital after collapsing at MTO.

W.A. McDonald and Sam bid of \$3,598 for furnishing an international dump truck was accepted. Only other bidder was Hougland Ford at \$3,678.25.

NAMED AND GOING - Pictured at about the time last Thursday they formally adopted the name Hancock County United Fund is the temporary board of the newly organized fund raising organization. On Oct. 1 the Hancock County group will start its fund raising appeal among General Electric, Corps of Engineer and NASA personnel at MTO. This drive will be undertaken in concert with similar organizations representing West Harrison County, Piquette and Sidel. From left, faces belong to Warren Carver, Thomas O. Logue, W. Ray Gordon, chairman, Mrs. C.R. Beyer, Charles Carter and Allan J. Sarraz. Backs of head are those of Mrs. Theo Tudury, Walter P. Turcotte and Powell Glass, Jr.

School meet set on funds outlook

The county school board last Saturday took the position that it will have to have three more mills on which to operate during fiscal 1964-65 or else take steps toward consolidating the Gulfview and Logtown attendance centers into one plant. The board recessed until 9 a.m. this Saturday to survey the situation after the board of supervisors sets the millage.

E.P. Ortte, board president, said he had talked with Beat 1 supervisor H.G. Dean on three occasions since Dean apparently held the key to the supervisors voting more millage. Dean has been holding out for firm assurance that the Logtown School would be relocated in Pearlington. Ortte charged that if the Logtown School is dissolved, Dean alone will be responsible and declared there are many avenues open to the supervisors for economies. He cited individual beat payrolls as well as the seawall crews. "They don't have to increase taxes but cut down on their political jobs," Trustees Lamar Lee and

Louis Necaise concurred with Ortte that Logtown would have to be dissolved if there is no more money for operating. Ortte said he had been assured by Trustees Charles Murphy and S.P. Powell who were absent from the meeting that they shared this view.

Gulfview Principal Oren Seal reported a number of salaried employees at Mississippi Test Operations had looked over his plant and expressed disappointment at what is offered. Walter J. Phillips, attorney for the board, said he had talked with some MTO newcomers who told him they chose Piquette as a place to live because of its public school system. "On the other hand," Phillips remarked, "some Catholic or Episcopal families have moved here because of the schools we have." Bay St. Louis is endeavoring to improve, he noted, but the county system remains way behind. "We have got to spend money to make money," Phillips concluded.

The attorney also reported on negotiations over sale of school and 16th Section property to the federal government for MTO. Condemnation trial of the Logtown School is being pushed for October and the attorney-general has ruled proceeds from sale of 16th Sections do not have to be used for replacement but can be put in 16th Section principal. He cautioned that no building contracts for schools can be let until the system has the money.

On the recommendation of Superintendent Robert F. Ladner, Oscar Peterson, now with the Bay school system, was hired as county-wide maintenance man at \$300 a month for one year and Mrs. Luther Perkins, janitress at Clermont Harbor School which has been closed, was transferred to the Gulfview plant.

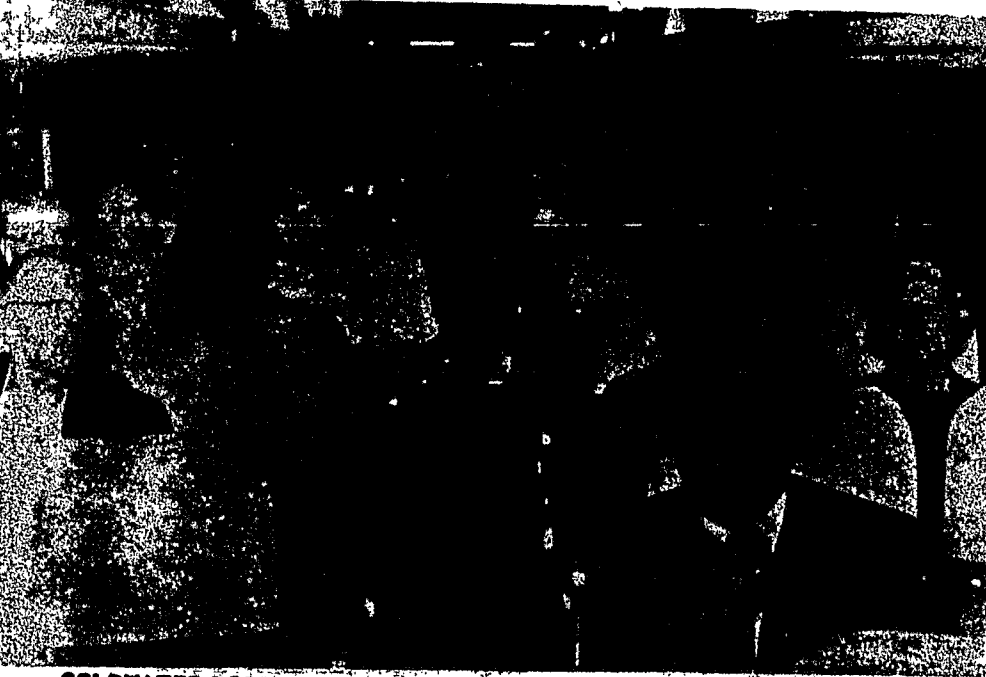

The board discovered it has more leaking roof problems at Hancock North Central School, the four-room addition com-

pleted last fall now causing difficulty. Phillips immediately notified the architect for the addition, Dalton B. Shourds, and checked the bonding company for the contractor, the late W. R. Bond of Piquette.

Chester Favre, county civil defense director, reported it appears the school board can get up to 50 per cent of the cost of a building from civil defense if the structure meets specifications for a fall-out shelter. J.S. Price, principal at Valena C. Jones School of the Bay system was authorized to use a county bus on the Pearlington run to bring ball players, band members and pupils from there in to sports events at the school.

Bills for July and August were approved including one for \$570 for the state audit which required 38 days to complete.

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an instrument panel that's a conversation piece in fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevelle Malibu Super Sport Coupe

Chevelle Malibu '65

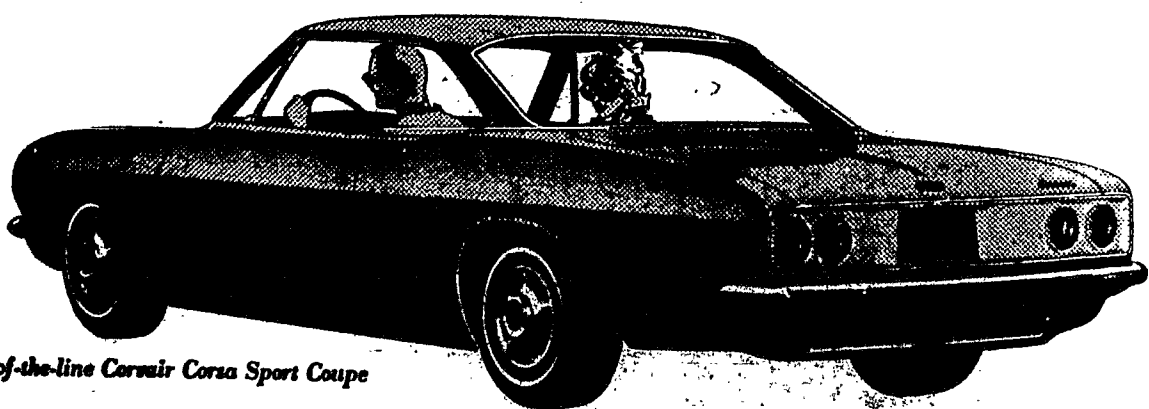

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like V8 power that'll make you think we stole some Corvette's stuff—which we did. All told, five Chevelles are available from a quieter six to a V8 that's on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And offers a new range of engines, including a 300-hp V8. You could get the idea that money was the last thing we had in mind—it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with this racier look, there's up to 180 hp available in the new Monza series, up to 140 hp in the Monza and 500. Also a flatter riding independent suspension, responsive steering and a wider road stance.

Miss Bordages becomes bride of Mr. Zimmerman

The wedding of Miss Patricia Bordages and Mr. William Zimmerman took place at 5 p.m. Sunday at St. John's Catholic Church in St. Louis, Mo.

The young couple left for a honeymoon trip Sunday afternoon. They will visit the mother-in-law, Mrs. Zimmerman, at her home at 1115 S. Grand St., St. Louis, Mo., where the bride is now living.

Among a number of guests at the wedding were the groom's father, Mr. Zimmerman, and his mother, Mrs. Zimmerman, who are both of St. Louis, Mo.

Miss Patricia Bordages is the daughter of Mr. and Mrs. John Bordages, who live at 1115 S. Grand St., St. Louis, Mo.

The reception was held at the St. Louis Hotel, where the bride and groom were entertained by their friends.

Candy Strippers feted for service at hospital

Twenty-five candy strippers were feted at a luncheon given at the St. Louis Hotel for their service at the St. Louis Hospital.

The luncheon was given by the St. Louis Hospital Association, which has been organized to help the candy strippers in their work.

The candy strippers are a group of young women who work at the St. Louis Hospital, where they are responsible for the candy that is given to the patients.

The luncheon was a very successful one, and the candy strippers were all very happy to be there.

Legion juniors view projects

A group of Legion juniors met at the St. Louis Hotel to view projects that they have been working on.

The projects include a number of different things, such as a display of the juniors' work, a display of the juniors' projects, and a display of the juniors' work.

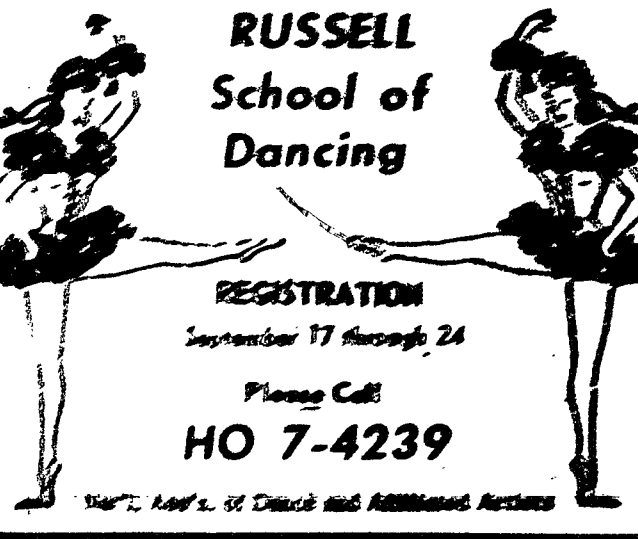

The juniors were all very proud of their work, and they were all very happy to be there.

Jeff Rutherford notes 9th year

Jeff Rutherford, son of Mr. and Mrs. John Rutherford, is celebrating his 9th birthday.

The birthday party was given at the St. Louis Hotel, where Jeff and his friends were all very happy.

Jeff is a very smart and happy boy, and he is very proud of his 9th birthday.

Open ticket sales for Philharmonic

Tickets for the concerts to be given here Nov. 2 by the New Orleans Philharmonic Symphony Orchestra are now on sale, according to Mrs. J.W. Clark and Thomas D. Logue, co-chairmen of the ticket com-
 mittee. Since the orchestra will present only one afternoon and one evening performance, it is expected all tickets will be sold in advance and not be available at the door.
 The afternoon concert is planned especially for children from fourth grade level through high school. The evening is for an adult audience.
 Residents of Pass Christian and Long Beach may obtain tickets from Mrs. William Braun and her committee. School students may purchase tickets from their home-room teachers.
 Tickets will also be on sale at deMontuzin Drug Store and Lorraine Flower Shop, or from Mesdames Clark, Sam Whitfield, Rene deMontuzin, John Landon, Floyd Hepting, Walter Rausch, Paul Vegas, C. C. McDonald, Jr., Fred Wagner, Charles Steers, John McDon-

NEW SESSION AT ST. AUGUSTINE -- Eighty Divine seminarians have begun new school term at St. Augustine Seminary here. They represent seven different nations and British Honduras. They are grouped here with Very Rev. John Gasper, S.V.D., rector of Seminary, seated left center; Rev. Leonard Olivier, S.V.D., prefect of minor seminarians, seated right center; and Rev. Wilbert White, S.V.D., assistant prefect of students standing extreme right.

They're biting
 Trout must be biting—we spotted Russell Maurigi fishing madly off the seawall on his day off last Wednesday.
SIGHTS AND SOUNDS ALONG THE WAY -- Late season swimmers taking advantage of continued Indian Summer temperatures; a few multicolored leaves, already drifting to the ground and the shrill sound of children's voices as they are released from school in the early afternoon.

Some's Tomcats came back in the third quarter with a 14-yard sprint to ground-zero by halfback Alfred Rader. Tim Black made good the point for a 7-7 tie game.

Midway through the final round the uncanny arm of Eddie Peterson put an aerial shot into the sticky fingers of Paul Cuevas right in the end zone. Rid of illness for the first time this season, the Hawks had proved their potential.

Rushing yardage was HNC 201, Stone 147; passing, HNC 148, Stone 0. The Hawks completed 9 passes in 21 tries while the Tomcats failed to complete any of four tosses. Hancock North Central ran up 13 first downs against Stone's 7; both sides lost 15 yards on one penalty each. Stone fumbled twice and lost it both times; the Hawks didn't drop it a single time.

SCORE WAS 7-7 - Hancock North Central Coach Ezell Lee strikes pensive pose as his Hawks are tied 7-7 by Stone Tomcats in grid game Friday night.

Carpenter stricken in first hour

Richard L. Gambles, 42, 816 1/2 West Jackson St. Biloxi, a carpenter employed by Morrison-Kandian Construction Company at Mississippi Test Operations, died about 9 a.m. Monday. Just starting his first day's work, he complained he felt ill, and slumped to the ground. He was taken by ambulance to Crosby Memorial Hospital in Piquette, where he was pronounced dead on arrival.

Mr. Gambles is survived by his widow, two daughters, two sons, two brothers, and five sisters. He had lived in Biloxi since 1946, when he arrived from Mobile. He was regularly employed as assistant catering manager at the Buena Vista Hotel.

Travirca gets maintenance pact for MTO

James N. Travirca of Bay St. Louis has been awarded a contract of \$106,815 for grounds maintenance at Mississippi Test Operations, General Electric Co., support contractor for the space installation, has announced.

Travirca's job calls for grounds maintenance, material handling, insect and rodent control, railroad and classification yards, roads and parking areas. His offering was adjudged best among 39 bids received.

Citywide Janitorial Services of Atlanta, Ga., has received a contract in the amount of \$61,641 for carpentry, painting, labor and plant maintenance. Ten firms submitted bids.

Both subcontractors for work at MTO are for the period Sept. 1, 1964 through June 30, 1965.

General Electric is the prime contractor for plant and technical support services at the NASA rocket testing center.

Paint, repair Courthouse is jury's request

Painting and necessary repairs to the Courthouse are the improvements to that building recommended by the September grand jury which concluded two days of deliberations this week including inspection of county property.

Grand juries in recent years have gone into the need for renovation of the Courthouse at length, including proposing a new building.

This body found Hancock General Hospital, the county home and the jail in a clean and sanitary condition and gave special commendation to the hospital administrator, Thomas O. Logue, "for the fine job he has done."
